

A Parking Alternative — Northwoods

The Northwoods Office Building graciously allows the members and guests of Worthington Christian Church to use their parking lot on Sunday mornings to help ease the congestion in our own parking lots. To make the path to the church as easy as possible, we have built stairs and a sidewalk leading from this parking lot to the side entrance of the church near rm. 179 and the Welcome Center in the Education Wing.

The map below is obviously not to scale, but it helps to illustrate where to park and where the side entrance to the church is located. For a more detailed floor plan, please see the reverse side of this flyer. If you have any questions, a Greeter from the Welcome Center will be happy to show you where this side entrance is located.
